

# Feng Shui Seminar

Did you know your house is like your finger print?  
Your house and its energetic qualities uniquely reflect who you  
are right now and what is happening in your life..

We will always attract a house that fits us perfectly, and like our friends and family, mirror back to us what our challenges and desires are.

Did you know that Feng Shui is the ancient art of deciphering these energies? As well as balancing and integrating harmony in our homes and businesses, Feng Shui assists in empowering you to make changes in your life so you may manifest what you truly desire.

Facilitated by Sarah K Jones, the Director of Lotus Temple, this informative evening will open your eyes to the wonderful world of Feng Shui, and how it can assist you to create harmony, prosperity and health in your life!

This seminar will give you simple and effective tools to improve the feel of your home instantly. Each attendee receives a Space Clearing Room Mist as a complimentary gift!
